**MOTION FOR EXTENSION OF TIME**

Lori Lynne Forbes, by her attorney, hereby requests a one week extension of time within which to respond to the "Motion to Enlarge Issues Against Lori Lynn Forbes" ("Motion") filed in this proceeding by KR Partners on April 15, 1993. With respect thereto, the following is stated:

1. A response to KR's Motion currently is due on April 28, 1993. The Motion concerns Forbes' compliance with the city-grade coverage rules (47 C.F.R. § 73.315(a)&(b)), and therefore requires, in part, an analysis of KR's claims by a Consulting Engineer. The National Association of Broadcasters, however, is currently holding its annual Convention in Las Vegas, Nevada, and Forbes' Consulting Engineer, as well as most alternative engineers, are unavailable until next week, shortly before the response currently is due.

2. Therefore, in order to allow Forbes and her engineer sufficient time to prepare an appropriate response, Forbes respectfully requests a one-week extension of time, until May
